

# 2024 The 2<sup>nd</sup> International Conference on Geosynthetics and Environmental Engineering

# ICGEE

Busan, South Korea  
April 19–20, 2024

ICGEE2024 combines Academia with Industry to adapt scientific achievements into practical applications in the field of Geosynthetics and Environmental Engineering. The 2<sup>nd</sup> ICGEE will continue to promote relevant engineering research and applications in a vast range of topics, including Geosynthetic applications and sustainability, Civil and Structural Engineering, Environmental Engineering and Science.

## Publication

All accepted and presented papers will be published in the conference proceedings and submitted for major indexing services like EI-Compendex, SCOPUS, etc.

## Important Dates

Submission Deadline: February 01, 2024  
Notification Date: March 05, 2024  
Registration Deadline: April 10, 2024  
Conference Date: April 19-20, 2024

## Submission

Email: [cfp@icgee.com](mailto:cfp@icgee.com)

Submission System:

<https://www.icgee.com/openconf/openconf.php>

## Call For Papers

### Track 1: Geosynthetic applications and sustainability

- Fundamentals of geosynthetic engineering
- Geotechnical and geosynthetic engineering
- Geosynthetics and their applications
- Geosynthetics and ground engineering
- Fundamentals of geosynthetics
- Soil-geosynthetic interaction

### Track 2: Civil and Structural Engineering

- Civil Engineering Technology
- Civil Engineering Surveying
- Civil Engineering Machines
- Civil Engineering Seismic
- Geological Engineering
- Structural Engineering

### Track 3: Environmental Engineering and Science

- Environmental protection materials
- Environmental safety and health
- Environmental planning and assessment
- Environmental analysis and monitoring
- Environmental restoration project
- Pollution control project
